# China Tire Market Report in 2006

---

Beijing HL Consulting Co., Ltd

## Table of Contents

- 1 Global tire market
  - 1.1 Analysis of main tire markets in 2006
    - 1.1.1 Russia tire market
    - 1.1.2 Brazil tire market
    - 1.1.3 America tire market
  - 1.2 Analysis of global top 75 tire companies in 2006
  - 1.3 Forecast of global tire market in 2007-2008
  
- 2 General situation of China's tire production
  - 2.1 Output analysis
    - 2.1.1 Production of tire in "Tenth Five Year" in China
    - 2.1.2 Production of tire in China in 2006
    - 2.1.3 Production of tire in China in 2005
    - 2.1.4 Production of cover tire by provinces in China in 2006
    - 2.1.5 Production of cover tire by enterprises in China in 2006
    - 2.1.6 Production of radial tire by provinces in China in 2006
    - 2.1.7 Production of radial tire by enterprises in 2006
    - 2.1.8 Production of cover tire of cycle tire by enterprises
  - 2.2 Price analysis
    - 2.2.1 Average price of Off The Road Tire
    - 2.2.2 Average price of Inner tube of aircraft tire in 2006
    - 2.2.3 Average price of agricultural tire in 2006
  - 2.3 Consumption analysis
  - 2.4 Import and export analysis
    - 2.4.1 Tire import and export in "Tenth Five Year"
    - 2.4.2 Tire export of Liaoning province in 2006
    - 2.4.3 Tire export of Fujian province in 2006
    - 2.4.4 Tire export of Guangdong ports in 2006
    - 2.4.5 Characteristics of China's tire export
    - 2.4.6 Export changes after entering WTO
    - 2.4.7 Existing difficulties of export
    - 2.4.8 Strategy of export barrier breakthrough
  - 2.5 Technical development and raw material consumption
    - 2.5.1 Products and technical development
    - 2.5.2 Consumption of main tire raw materials
  - 2.6 Competition structure of Chinese tire industry
    - 2.6.1 Chinese tire industrial scale
    - 2.6.2 Chinese tire industrial structure
    - 2.6.3 Development characteristics of tire competition structure
    - 2.6.4 Production allocation of global tire corporations in China

- 2.6.5 Motives of Chinese tire industrial annexation and reorganization
- 2.6.6 Trend analysis of our county's tire industrial annexation and reorganization

### 3 Market forecast and investment suggestions of Chinese tire industry

- 3.1 Development forecast of Chinese tire industry
  - 3.1.1 Development forecast of automobile industry in 2010
  - 3.1.2 Construction and development of China's highway
  - 3.1.3 Development of highway transportation
  - 3.1.4 Tire demand forecast in 2010
  - 3.1.5 Rubber demand forecast in 2010
  - 3.1.6 Demand forecast of steel cord for tire to Chinese tire industry
  - 3.1.7 Demand forecast of bead wire to Chinese tire industry
- 3.2 Several problems in development
  - 3.2.1 Over-speed and superheating increase of tire investment
  - 3.2.2 Huge gap between China's tire production technique and international advanced stage
  - 3.2.3 Egregious dependence on resources derived from fast growing of tire production
  - 3.2.4 Antidumping affairs in export and influence of RMB appreciation
  - 3.2.5 Problems between investment and cyclic economy
  - 3.2.6 Changes of policy and market
- 3.3 Investment and development suggestions

### 4 Eleventh Five Year Plan of Chinese tire industry

- 4.1 General design
- 4.2 Influencing factors
- 4.3 Developing measures

### 5 Development trend of Chinese tire industry

- 5.1 Development trend of belt tire
- 5.2 Development of types of tire
  - 5.2.1 Motor tire
  - 5.2.2 Transportation tire
  - 5.2.3 Light-burden tire
  - 5.2.4 Earthmover tire and industrial tire
  - 5.2.5 Agricultural tire

### 6 Current statuses, problems and countermeasures of Chinese junked tire reutilization

- 6.1 New outlet of junked tire reutilization
- 6.2 Main approaches of junked tire reutilization at present
  - 6.2.1 Antitype reutilization
  - 6.2.2 Burning reutilization
  - 6.2.3 Reclaimed rubber production
  - 6.2.4 Retreading and recycling of junked tire
  - 6.2.5 Production of cross linked rubber powder
- 6.3 Deficiencies, developing countermeasures and foreground prospect of Chinese junked tire reutilization

6.3.1 Deficiencies of Chinese junked tire reutilization

6.3.2 Administrative suggestions of junked tire reutilization

7 Economic benefit analysis of tire production industry of different provinces and cities in 2006

7.1 General industrial operating indicators

7.1.1 Gross industrial output value

7.1.2 Number of enterprises

7.1.3 Number of loss-making enterprises

7.1.4 Total loss of loss-making enterprises

7.1.5 Average number of all employed

7.2 Indicators of income, cost, expenses and profit

7.2.1 Sales revenue

7.2.2 Selling cost

7.2.3 Selling expenses

7.2.4 Selling rate per capita

7.2.5 Cumulative selling taxes and attaches

7.2.6 Total amount of profits

7.2.7 Cumulative financial cost

7.2.8 Cumulative overhead expenses

7.2.9 Total taxes

7.2.10 Rate of profit based on the cost of production and expenses

7.2.11 Rate of profit & tax/Gross output value

7.2.12 Cumulative net accounts receivable

7.2.13 Profit rate on capital

7.2.14 Cumulative finished goods

7.2.15 Rate of capital employed of finished goods

7.3 Asset and liability indicators

7.3.1 Total assets

7.3.2 Total liabilities

7.3.3 Average balance of fixed assets net value

7.3.4 Average balance of current assets

7.3.5 Asset-liability ratio

7.3.6 Rate of capital maintenance and appreciation

7.3.7 Current assets turnover

8 Economic benefits analysis of different tire enterprises

Tables

Table 1 Global top 75 tire companies in 2006

Table 2 Production of tire in “Tenth Five Year” in China

Table 3 Tire output in 2004- 2006

Table 4 Statistics of China Rubber Association Tire Branch in 2006 (45 enterprises)

Table 5 Production of tire in China in 2006

Table 6 Statistics of output of tire China Rubber Association Tire Branch in first half year (45 enterprises)

Table 7 Production of cover tire by provinces in China by province in 2006

Table 8 Production of cover tire by provinces in China by province in 2005

Table 9 Production of cover tire by provinces in China by province in 2004

Table 10 Production of cover tire by provinces in China by province in 2003

Table 11 Production of cover tire by provinces in China by province in 2002

Table 12 Production of cover tire by enterprises in China in 2006

Table 13 Production of cover tire by enterprises in China in 2005

Table 14 Production of cover tire by enterprises in China in 2004

Table 15 Production of radial tire by provinces in China in 2006

Table 16 Production of radial tire by provinces in China in 2005

Table 17 Production of radial tire by provinces in China in 2004

Table 18 Production of radial tire by provinces in China in 2003

Table 20 Production of radial tire by enterprises in 2006

Table 21 Production of radial tire by enterprises in 2005

Table 22 Production of radial tire by enterprises in 2004

Table 23 Top 10 tire manufacturing enterprises in 2005

Table 24 Production of radial tire by enterprises in 2002

Table 25 Production of cycle tire in 2006

Table 26 Average price of cover tire of off-the-road tire 17.5-25 in China

Table 27 Average price of cover tire of off-the-road tire 20.5-25 in China

Table 28 Average price of cover tire of off-the-road tire 23.5-25 in China

Table 29 Average price of cover tire of off-the-road tire 1400-24 in China

Table 30 Average price of cover tire of off pavement tire

Table 31 Average price of Inner tube for pneumatic tire 660\*200TL of aircraft in China

Table 32 Average price of Inner tube for aircraft tire 1030\*350 in China

Table 33 Average price of Inner tube for aircraft tire in China

Table 34 Average price of cover tire of agricultural tire 600-12 in China

Table 35 Average price of cover tire of agricultural tire 750-12 in China

Table 36 Average price of cover tire of agricultural tire 750-16 in China

Table 37 Average price of cover tire of agricultural tire in China

Table 38 Apparent consumption of China's tire market in past years

Table 39 Countrywide tire export amount and sum in "Tenth Five Year"

Table 40 Raw material consumption statistics of 45 tire enterprises in 2004

Table 41 Investment situation of main global multinational company groups in China

Table 42 Annexation and reorganization events of Chinese tire industry

Table 43 Automobile maintenance forecast during 2006-2010

Table 44 Countrywide highway mileage and its structure

Table 45 Demand forecast of automobile tire in 2010

Table 46 Demand forecast of Chinese tire in 2010

Table 47 Output and demand of Chinese steel cord for tire (ten thousand tons)

Table 48 Demand forecast of Chinese steel cord for tire in 2006

- Table 49 Long-term demand forecast of Chinese steel cord for tire
- Table 50 Output and structure of Chinese bead wire (ten thousand tons)
- Table 51 Long-term demand forecast of Chinese bead wire
- Table 52 Development situation and increase forecast of Chinese belt tire
- Table 53 Cumulative gross industrial output value of tire manufacturing industry in 2006 (current prices)
- Table 54 Increase range of cumulative gross industrial output value of tire manufacturing industry in 2006 than last year (current prices)
- Table 55 Cumulative enterprises number of tire manufacturing industry in 2006
- Table 56 Cumulative loss-making enterprises number of tire manufacturing industry in 2006
- Table 57 Total loss of tire manufacturing industry in 2006
- Table 58 Increase range of total loss of tire manufacturing industry in 2006 than last year
- Table 59 Cumulative all employed average number of tire manufacturing industry in 2006
- Table 60 Growth rate of cumulative average number of tire manufacturing industry in 2006 than last year
- Table 61 Cumulative sales revenue of tire manufacturing industry in 2006
- Table 62 Growth rate of cumulative sales revenue of tire manufacturing industry in 2006 than last year
- Table 63 Cumulative selling cost of tire manufacturing industry in 2006
- Table 64 Growth rate of cumulative selling cost of tire manufacturing industry in 2006 than last year
- Table 65 Cumulative selling expenses of tire manufacturing industry in 2006
- Table 66 Growth rate of selling expenses of tire manufacturing industry in 2006 than last year
- Table 67 Selling rate per capita of tire manufacturing industry in 2006
- Table 68 Max valueof selling rate per capita of tire manufacturing industry in 2006
- Table 69 Cumulative selling taxes and attaches of tire manufacturing industry in 2006
- Table 70 Growth rate of Cumulative selling taxes and attaches of tire manufacturing industry in 2006 than last year
- Table 71 Total profits of tire manufacturing industry in 2006
- Table 72 Total profits of tire manufacturing industry in 2006 dated back to last year's current month
- Table 73 Cumulative financial cost of tire manufacturing industry in 2006
- Table 74 Growth rate of cumulative financial cost of tire manufacturing industry in 2006 than last year
- Table 75 Cumulative overhead expenses of tire manufacturing industry in 2006
- Table 76 Growth rate of cumulative expenses of tire manufacturing industry in 2006 than last year
- Table 77 Total taxes of tire manufacturing industry in 2006
- Table 78 Growth rate of total taxes of tire manufacturing industry in 2006 than last year
- Table 79 Rate of profit based on the cost of production and expenses of tire manufacturing industry in 2006
- Table 80 Max valueof Rate of profit based on the cost of production and expenses of tire manufacturing industry
- Table 81 Rate of profit & tax/Gross output value of tire manufacturing industry in 2006

Table 82 Max value of rate of profit & tax/Gross output value of tire manufacturing industry in 2006

Table 83 Cumulative net accounts receivable of tire manufacturing industry in 2006

Table 84 Growth rate of cumulative net accounts receivable of tire manufacturing industry in 2006 than last year

Table 85 Profit rate on capital of tire manufacturing industry in 2006

Table 86 Max value of profit rate on capital of tire manufacturing industry in 2006

Table 87 Cumulative finished goods of tire manufacturing industry in 2006

Table 88 Growth rate of cumulative finished goods of tire manufacturing industry in 2006 than last year

Table 89 Capital employed rate of finished goods of tire manufacturing industry in 2006

Table 90 Max value of capital employed rate of finished goods of tire manufacturing industry in 2006

Table 91 Total assets of tire manufacturing industry in 2006

Table 92 Growth rate of total assets of tire manufacturing industry in 2006 than last year

Table 93 Total liabilities of tire manufacturing industry in 2006

Table 94 Growth rate of total liabilities of tire manufacturing industry in 2006 than last year

Table 95 Cumulative average balance of fixed assets net value of tire manufacturing industry in 2006

Table 96 Growth rate of cumulative average balance of fixed assets net value of tire manufacturing industry in 2006 than last year

Table 97 Cumulative average balance of current assets of tire manufacturing industry in 2006

Table 98 Growth rate of cumulative average balance of current assets of tire manufacturing industry in 2006 than last year

Table 99 Asset-liability ratio of tire manufacturing industry in 2006

Table 100 Max value of asset-liability ratio of tire manufacturing industry in 2006

Table 101 Rate of capital maintenance and appreciation of tire manufacturing industry in 2006

Table 102 Max value of capital maintenance and appreciation rate of tire manufacturing industry in 2006

Table 103 Current assets turnover of tire manufacturing industry in 2006

Table 104 Max value of current assets turnover of tire manufacturing industry in 2006

Table 105 Top 10 enterprises in income of tire manufacturing industry on December 2006

Table 106 Top 10 enterprises in income of tire manufacturing industry on November 2006

Table 107 Top 10 enterprises in income of tire manufacturing industry on August 2006

Table 108 Economic indicators of countrywide 47 tire manufacturing enterprises in 2003

Table 109 Average economic indicators of countrywide 47 tire manufacturing enterprises in 2003

Figures

Figure 1 Ultimate production of Chinese tire in past years

Figure 2 Output of China's belt tire in past three years

Figure 3 Ultimate production structure of Chinese tire in 2006

Figure 4 Tire brands consumers usually use

Figure 5 The most favored tire brands consumers refer to use

Figure 6 The first factor of choosing tire in same class products

Figure 7 Places consumers usually change tire

Figure 8 Channels consumers comprehend information about tire

Figure 9 Rubber consumption situation and tire production situation in our country

Figure 10 Reutilization situation of junked tire in developed countries

Figure 11 Reutilization situation of junked tire in China
